Architectural Control

Spring and Summer bring out the creativity to do, build and create an inspiring yard, flower bed, fencing, sports equipment and more!

Please ensure that you get approval for all exterior changes so that you do not get a letter to remove.

If you make changes to your approved plan, you need to have those changes reviewed and approved prior to doing any work.

Doing the above will reduce your out of pocket expense, less work of removing unapproved items and also potential fines.

As always-if you are unsure of something,

Seek approval.

CALLING THOSE INTERESTED IN BEING.....

involved in the ARCHITECTURAL CONTROL COMMITTEE or SOCIAL COMMITTEE. Please email: Linnea@zandrmgmt.com if you are interested in being involved in one of these committees to let the Board know.

2018 Social Events

Events we are looking at doing:

- Ice Cream Social– May 12th
- Movie and Dinner Night– June 23rd

If you would like to help organize the above or have an event that you would like say a progressive dinner or Ladies Bunco or Men's Game Night, please email Linnea@zandrmgmt.com

WE ARE ON THE WEB– Get minutes, governing documents and more at:
www.hannahridgehomeownersassociation.com

Neighborly Neighbors Corner

Please be mindful and be a good neighbor...

- ◇ Pets– We love our pets, but don't like the poo so much--walk with a dog waste bag and please pick up after your dog.
- ◇ Parking on Streets– A friendly reminder parking is to be in the garage first, driveway second and no overnight parking.
- ◇ Care of Property-With the warm weather weeds and care of lawn is always a concern, please take the steps to keep up with the maintenance of your property.
